

Sec. 12-1-7 Improved Boat Launch Fees Established.

- (a) **Purpose and definition.** In order to assist with maintenance costs of the improved boat landing the Village of Muscoda hereby establishes the following boat launch fees. Fees will be assessed to any and all watercraft. Government owned watercrafts are exempt from this ordinance. The improved boat landing is defined as the boat landing on the northernmost end of 4th Street.
- (1) **Watercraft-** For the purpose of this ordinance, watercraft is defined as but not limited to any canoe, kayak, boat, Jet Ski or hovercraft that is propelled by an engine or oars.
- (b) **Boat Launch Fees.**
- (1) Weekly (7day) pass -- \$5.00
- (2) Annual pass – \$30.00
- (3) Weekend event pass (group of 5 or more watercraft) – \$20.00
- (4) Commercial Permit-- \$75.00 (annually) plus \$2.00 for each watercraft that launches or lands at the boat landing.
- (c) **Prohibition.** It shall be unlawful for anyone to use the improved boat landing area without first purchasing a boat launch pass. The boat launch pass shall be hung from the rearview mirror or placed on the dash of the towing or hauling vehicle, easily visible to passersby. The boat launch pass shall be displayed while using the boat launch or while parked in the designated boat launch parking area. For purposes of this section the registered owner of the towing vehicle shall be used as the violator for purposes of enforcement of this section.
- (d) **Fine.** Violators of this section shall be subject to a \$20.00 fine issued on a parking ticket approved by the Chief of Police. The process outline in 10-1 Article C should be followed.
